A collage of vintage objects on a brick wall. At the top left, three Polaroid-style photos are hanging: the first shows a person in a field, the second shows a wooden toy truck, and the third shows three glass bottles. Below the photos, a vintage-style toaster is pouring liquid into a cup on a saucer. Next to it is a small wooden crate with the words 'LIVE Laugh LOVE HAVEM' and a cassette tape. A tall black lamppost with a glowing yellow light stands in the center. At the bottom right, a green and black toy train engine is on tracks.

Forever

Hold me like you'll never let me go.

I could stay awake just to hear you breaking

Watch you smile while you are sipping.

I could spend my life in this sweet surrender.

I could stay lost in this moment, for ever.

Every moment spent with you is a moment.
